

## “Supporting the community”

The picture below shows Jerry Page of Ashington Page presenting a cheque for £250 to Clare and Kate Mosley and Debbie Marsden from Knotty Green to support the scheme.

You can make contributions direct as outlined in this leaflet. However there is another way that you can help - our Supporting the Community programme means that for every house that we sell, you the vendor, can make a contribution to this good cause from our fees. This programme has been

running for some time and we have contributed thousands of pounds to more than 90 different local and national charities/good causes. The normal payment is £150 from each sale. However, in this instance, we are prepared to increase this to £250 for contributions to this cause for the duration of the campaign, as we think this project will provide a long-term benefit to the community.

In the first instance, all we would ask is that you give us the opportunity to appraise your property, should you be thinking of selling.

## FRIENDS OF KNOTTY GREEN RECREATION AREA

F O K G R A

[www.knottygreen.net](http://www.knottygreen.net)

We need **your help** to get this exciting project underway..

Sponsored by..

## PROJECT SUMMARY

Friends of Knotty Green Recreation Area, a group of local residents, have put together a plan to upgrade the Pond and Recreation Area on Knotty Green. Sadly this is now the only public open space left in the area and is in need of attention. A survey we organised last year (looking at 1,150 households) showed that the local people hugely value the Recreation Area and Pond and that there is enormous support for doing some sensitive improvements.

**There are three main elements to the project.**

**Play Area** - The existing play equipment on Knotty Green is old and limited. We want to replace it with equipment for young children, with soft surfacing in a fenced area and a wheelchair accessible roundabout for both able bodied and disabled.

**Activity Circuit** - From the drawing you can see we would like to build a perimeter path for pushchairs and wheelchairs. Beside the path we plan to create a basketball area and various climbing and activity units for older children.

**The Pond** - To be cleared and landscaped as a 5 year project. The hope is to make it into an attractive wildlife sanctuary available to local schools and local people for surveys and pond dipping.

**Jubilee Fete  
- Sunday 7th July.  
Please see  
leaflet for  
details**

**Regular pond dipping  
sessions will take  
place - 5.30pm  
to 6.30 from  
Friday 26 April,  
alternate weeks**

**Quiz nights at  
the Red Lion Pub,  
Knotty Green on  
the last Thursday  
of each month  
at 8.30pm**
