

Acknowledgements

This book has been prepared by the History Group of the Friends of Park Wood. The Group gratefully acknowledges the help and encouragement of all, too numerous to mention individually, who have contributed to its success. The contributions of the following, who carried out much of the research and prepared and reviewed sections of the text and illustrations, are noted with particular thanks: Fiona Alsop, John Carter, Heather Leach, John Pile, John Stevens, John Symonds, Hazel and David Tyte, Malcolm Walford, Carol Webb, Joan Webster. Special thanks are also due to Charlotte Frost of the Hampshire Gardens Trust and Steve Jones of Havant Museum who have helped with research and review of drafts.

Several current and former residents of the area have offered their reminiscences, and provided photographs. Their contributions are acknowledged with thanks, and are noted in the text, and in the illustration acknowledgements and references listed at the end of the book.

The staff of the Hampshire Record Office, Hampshire County Museum Headquarters, Havant Museum, Portsmouth Central Library, Portsmouth City Record Office and Waterlooville Library have been most helpful in providing facilities for research. The Headteachers of Cowplain Community School and Hart Plain Junior School have kindly allowed the History Group to meet at their premises.

Production of this book would not have been possible without the Local Heritage Initiative grant awarded to the Friends of Park Wood from the Heritage Lottery Fund, and administered by the Countryside Agency. The high standard of publication could not have been achieved without the generous support of the Onyx Environmental Trust, and of BAE Systems, Waterlooville.
